PROFILE OF THE TOWN COUNCIL

Town and Parish Councils are part of Local Government in East Sussex, together with East Sussex County Council and other District or Borough councils. The County Council is responsible for strategic services such as highways, education, libraries, social services, and strategic planning whilst District Councils are responsible for Council Tax collection and other services including housing, local planning and refuse collection.

Town and Parish Councils are often viewed as that part of government closest to the people. They are the only local government tier that represents residents directly at this level having a great deal of autonomy and being funded by way of a "precept" through the council tax each year to improve local facilities and services for the community.

Newhaven Town Council is currently responsible for the following provisions within its own boundaries;

- parks and open spaces
- highways verges (on behalf of the County Council)
- Newhaven Cemetery
- children's play areas
- social centres/halls
- bus shelters
- notice boards
- seats and benches
- other council owned buildings

- allotments

The Town Council also runs community events throughout the year.

Composed of 18 Town Councillors, from which a Chairman (Town Mayor) and Vice Chairman (Deputy Town Mayor) are elected annually, the Council is operated through six committees with delegated functions and responsibilities, reporting to the Full Council meetings where relevant.

1. Planning & Development
2. Environment & Amenities
3. Regeneration & Strategic Development
4. Promotion, Partnership & Finance
5. Personnel
6. Audit

The work of the Council is managed by the Town Clerk supported by the administrative and maintenance staff. Further details on the work of the Council can be found on our website - <https://www.newhaventowncouncil.gov.uk/>

In addition to the Town Clerk and this post, the Council currently employs an additional 4 members of staff who are all based at the Council offices in Fort Road, Newhaven.
