Purpose of this policy and procedure

Newhaven Town Council (NTC) is funded only by its residents and therefore has finite funds available to assist community organisations located and working in Newhaven.

Through this policy, NTC remains fully committed to ensuring that it assists in developing those groups, projects, services and activities that support the Town in remaining an active and sustainable community.

The grants are awarded in three tiers, though the budget then currently available to the council may well dictate the actual grant awarded to a successful application:

Small Grants	up to and including £500
Large Grants	£501 up to and including £3,000
Community Partnership Grants	£3001 up to and including £10,000

Policy

1. Who can apply?

1.1 The following organisations may apply to NTC for a Grant (applications from Commercial entities, businesses, political groups/parties, or individuals will not be considered).

- Charitable and non-profit making organisations based in Newhaven. Established for charitable, benevolent, social, cultural, recreational or philanthropic purposes with a clearly stated social ambition for the community of Newhaven.
- National Charitable organisations, but only to local branches where the grant can be seen to directly benefit Newhaven residents.
- A Newhaven based club/association/charity/sports club serving a specific section of the community or the community as a whole. A more socially inclusive group will likely be more successful in their application.
- A social enterprise which can demonstrate that their initiative(s) will have a positive and sustainable impact on Newhaven.
- Able where appropriate, to demonstrate that Child and Vulnerable Adult Safeguarding measures are in place, usually in the form of an appropriate policy that requires those working directly with children and vulnerable adults to be DBS checked and approved.

1.2 There will be certain conditions attached to the award of each grant:

- Support from NTC through the award of a grant must be acknowledged where appropriate on any publicity and promotional material including posters, advertisements, press releases and leaflets.
- Funding cannot be used for any activity that may be party-political in intention, use or presentation, or to propagate a religion or belief.
- Grant funding received cannot be 'gifted' to or used to subsidise or aid the activities of any other community group(s). Where this is subsequently found to be the case the council will require return of all grant monies awarded and reserves the right to take appropriate legal action to secure the same.
- Grants can only be used for the purpose stated on the application.
- Grants will not be made to directly or indirectly cover an organisations operating costs such as, but not limited to, premises rental, utilities expenditure or building maintenance etc. In exceptional circumstances, the council may consider applications for such costs which are required as 'set-up' costs as a 'one-off' year 1 requirement by that organisation
- Grants must be fully utilised within 12 months of the date of the grant payment and documentation of the spend may be required.

Procedure

2 **Application Requirements.**

The decision to award any grant rests as follows and their decision is final.

- **Small Grants and Large Grants**

Will be determined by the *Promotion, Partnership and Finance Committee* twice in each Financial Year (circa October and March)

- **Community Partnership Grants**

CPG grant applications from £3001 - £7499 will be determined and awarded by the *Promotion, Partnership and Finance Committee*. Those for amounts of £7500 to £10,000 will be determined and awarded by *Full Council* (following recommendation by the *Promotion, Partnership and Finance Committee*) once in each Financial Year (normally January for payment in April of the following Financial Year).

- 2.1 Applications must be made on the correct application form for the level of grant sought and be in the name of the organisation to which the grant is to be awarded with all relevant details completed.
- 2.2 All eligible applications will be assessed on their individual merits against clear and consistent criteria. Any award made may not necessarily be for the full amount applied for.
- 2.3 Applications will only be considered and assessed if received before the published deadline and are accompanied by all supporting documentation.
- 2.4 Even where any grant application has been deemed successful NTC is not obliged to make any award where there is insufficient or nil Grant Budget expenditure available to it. In such cases the applicant will be encouraged to resubmit their application in the following financial year.
- 2.5 Only one application can be made in any twelve-month period.
- 2.6 NTC reserves the right to reclaim any grant monies not being used for the purposes specified on the application form.
- 2.7 Applications from groups who have an outstanding loan with or who are financially indebted to NTC will not be considered. Applications for projects that are the statutory responsibility of other authorities will also not be considered.
- 2.8 Applications for projects or activities already delivered (entirely or otherwise) will not be considered.
- 2.9 Projects or activities where there is a large shortfall between the grant value and total project/activity cost, are unlikely to be successful. Those projects which simply replace existing facilities without significant improvement will also not be considered.
- 2.10 Where a grant has been awarded and the money not spent either in part or in total, all remaining monies must be returned to NTC.
- 2.11 Should the organisation disband or merge with another during the period of the grant, the council may ask for return of all or part of the monies.
