**RSD015/25 TO RECEIVE A PRESENTATION FROM MR. IAN FITZPATRICK (DEP. CE LDC) REGARDING A COMMERCIAL ELECTRICITY PROJECT.**

Discussion and councillor questions followed. The committee thanked Mr. Fitzpatrick for his presentation, after which he informed the committee that once there had been tangible progress on the project, he would return to provide further updates.

**RSD016/25 TO RECEIVE A PRESENTATION FROM MR. MARK LANGRIDGE-KEMP (HEAD OF PROPERTY & ASSET MANAGEMENT, LDC) AND MS. KATE SLATTERY, (HEAD OF LEGAL SERVICES, LDC) REGARDING;**

- a) **UPDATE ON THE CURRENT CONTINUUM OF LAND SPACE ASSET DEVOLUTION TO NEWHAVEN TOWN COUNCIL**
- b) **DEVOLUTION OF LAND SPACE ASSETS AS PART OF THE LOCAL GOVERNMENT RE-ORGANISATION.**

Mr. Langridge-Kemp apologised to the committee for the length of time the devolution of assets currently underway had taken and re-confirmed the timelines as per the documentation for this meeting, indicating that both Riverside Park and Lewes Road Rec., would be completed before the end of November 2025.

Mr. Langridge-Kemp then provided background information on the list of Land Space Assets currently owned by LDC and their potential devolution to Newhaven Town Council as part of the impending Local Government Re-org and requested that the council provide their list of preferred assets to LDC by September 30<sup>th</sup> 2025 to initiate further discussion on these and the way forward.

**RSD017/25 NTC BUILDING ASSET STRATEGY – ORAL PROGRESS UPDATE. – TOWN CLERK.**

The Town Clerk provided an oral progress report to the committee and this was noted.

**RSD018/25 'WELCOME' FEATURES – DISCUSSION ITEM.**

The Town Clerk informed the committee of his research to date, and that a commission of an artist/sculpture to produce a feature to a design brief from the council would be in the region of £25-30K with installation and multiple item reproduction being in addition to this. The committee were also informed that were the council to commission an artist/sculptor to produce a design (before physical production) there is no guarantee that ESCC Highways would permit their location next to a highway for reasons of traffic/driver safety in the event of a road traffic accident.

During further discussion, the existing roadside features marking the entry/exit to the SDNPA were considered, particularly as they were in various sizes and fabricated from 'Corton' steel at a cost of circa £10K per item.

It was then **RESOLVED** that the Town Clerk research the background, design, manufacture and installation of the SDNPA signs with the view of achieving similar at the various entry points to the Town.
